

JOIN the AQUA SQUAD and EARN YOUR WATER TOTEM!!

Tim Hon, Artist, Illuminaries

When you know the whole secret, tell someone else and **EARN A SPECIAL WATER TOTEM** for your very own! Make it a necklace or tuck it away for safe keeping. You just joined the **AQUA SQUAD!**

Start the quest at booth 1.
BEAVERS take care of our creeks and streams but they need human helpers to keep it up. Find out why we call them "WATER GUARDIANS". Use your map to solve clues at the water stations and collect four stickers showing each step.

GOOD LUCK!!
